

0.1 Monk Full BAB v1.0

Monks now have Full BAB progression instead of 3/4 progression. Likewise their HD increases from 1d8 to 1d10.

Since Flurry was already executed as if the monk had Full BAB, nothing about it changes.

0.1.1 Explanation

Monks are a Full BAB class in all but name; their prime mode of fighting (Flurry) uses it. This simplifies things a bit.

0.1.2 Version History

This is the first version.
